- [8] Since it is the desire of lot owners and the lot developer to make and keep this subdivision a clean and attractive place to live, the seller of the lots will retain the right and privilege to inspect the mobile home that buyer proposes to move on the lot previous to sale of lot. If a lot were sold and a mobile home was to be bought in the future, the seller would still have the right to void the sale if an undesirable home was proposed. If the sale was voided, the down payment and any monthly payments would be refunded to the buyer upon request. The purpose of this covenant is to assure a desirable standard of homes and maintain property values in the area.
- [9] It is the desire of the developer upon selling at least 10 lots to form an informal home owners improvement association with the sole desire of meeting every few months to welcome new neighbors to the area, plus adopting suggestions by members, ratified by a majority, for the proper care and improvement of the facilities and appearance of Red Oak Hills Subdivision.
- [10] All buyers of lots in Red Oak Hills Subdivision have been provided a copy of these covenants. It is agreed that said buyers, upon signing a lot purchase agreement, will abide by said covenants as they are written.
- [11] There will be allowed only one home on any given lot.
