The Association, if it deems advisable, may call a meeting of the Owners, at which meeting the Owners, by a majority of votes entitled to be cast, shall decide whether to replace or restore as far as possible, the Common Areas so taken or damaged. The Association shall have the right to remove anything placed on the Common Areas in violation of the provisions of this subsection and to assess a fine and the cost of such removal against the Owner responsible;

(c) the right of Declarant (and its sales agents and representatives) and its assigns to the non-exclusive use of the Common Areas and the facilities thereof, for display and exhibit purposes in connection with the sale of Lots within the Property, which right Declarant hereby reserves; provided, however, that such use shall not continue for a period of more than fifteen (15) years after conveyance of the Common Areas within the Property to the Association; provided, further, that no such use by Declarant or its sales agents or representatives shall otherwise unreasonably restrict the Members in their use and enjoyment of the Common Areas;

(d) the right of the Association to establish uniform rules and regulations pertaining to the use of any Common Areas owned by the Association; and

(e) the right of the Association to suspend the voting rights of an Owner and the Owner's right to use any Common Areas of the Association during the period the Owner is in default in excess of thirty (30) days in the payment of any maintenance charge assessment against a Lot and to suspend such rights for any infraction of its published rules and regulations. The aforesaid rights of the Association shall not be exclusive but shall be cumulative of and in addition to all other rights and remedies which the Association may have by virtue of this Declaration or its By-Laws or at law or in equity on account of any such default or infraction.

Section 2. Delegation of Use. Owners having an easement of enjoyment in and to the Common Areas may delegate, in accordance with the By-Laws, their right to or enjoyment of the Common Areas to members of their families, tenants, or contract purchasers who reside in

Owner's residential dwelling.

Section 3. Waiver of Use. No Owner may be exempt from personal liability for assessments duly levied by the Association, nor release a Lot owned from the liens and charges hereof, by waiver of or suspension of the Owner's rights (pursuant to this Declaration or any By-Law of the Association) with regard to the use and enjoyment of the Common Areas thereon or by abandonment of Owner's Lot.

ARTICLE IV MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Each person or entity who is a record Owner of any of the Property which is subject to assessment by the Association shall be a Member of the Association. Declarant shall be considered a member so long as it owns any Lot or Lots in the Property. The foregoing is not intended to and does not include persons or entities who hold an interest merely as security for the performance of an obligation. No Owner shall have more than one membership. Membership shall be appurtenant to and may not be separated from ownership of the land which is subject to assessment by the Association.

Section 2. Voting Classes. The Association shall initially have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant (except as hereinafter provided) and shall be entitled to one vote for each Lot owned. When more than one person owns an interest in any Lot all such persons shall be members. The vote of such Lot shall be exercised as the persons among themselves determine, but in no event shall more than one vote be cast with respect to each Lot owned. Tenants who are also not owners of a Lot shall not be members and shall not be entitled to any votes.

Class B. The Class B member shall be the Declarant and shall be entitled to 4 votes for each Lot owned including Lots of any Lots in additional phases that may hereafter be made a part of the Development. Class B membership shall cease and be converted to Class A membership at such time as Declarant has conveyed thirty (30) Lots to Owners other than the Declarant.

**ARTICLE V
COVENANT FOR MAINTENANCE
ASSESSMENTS**

Section 1. Creation of the Lien and Personal Obligation of Assessments. Annual assessments and special assessments are to be established as hereinafter provided. For each Lot owned by an Owner, Owner by acceptance of deed for said Lot is deemed to covenant and agrees to pay annual and special assessments to the Association, whether or not it shall be so expressed in such deed. Declarant shall not pay annual assessments or special assessments to the Association, except on a voluntary basis; provided, however, Declarant shall be responsible for the cost and expense of maintenance and upkeep of any Common Areas until November 1, 2005. There shall be no assessment against any Common Areas.

The regular and special assessments, together with interest, penalties, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing and contractual lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, penalty, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to the Owner's successors in title unless expressly assumed by them.

Section 2. Purpose of Assessment. The assessments levied by the Association shall be used exclusively for the community, civic and social welfare and benefit of the Property and the Owners, for the purposes determined by the Association to be appropriate in accordance with its Articles of Incorporation and By-Laws, which may include, but is not required to include: municipal services; recreational services and facilities; improvement and maintenance of the Common Areas; maintenance and lighting of streets within the Development; police and security service; garbage and refuse removal and collection; mosquito abatement; and other services, facilities, and activities that may be in the Association's interest, including, but not limited to, costs associated with enforcing this Declaration.

Section 3. Amount of Annual Assessment. The amount of the annual assessment shall be \$165.00 per Lot which shall be payable on January 1 of each year or at such other time or times as may be designated by the Board. On any sale of a Lot by Declarant, the Owner shall pay such assessment in advance on the date of conveyance to such Owner with the amount to be prorated based upon the number of months from the month of the conveyance to January 1. Prior to the initial sale of a particular Lot, Declarant may establish an annual assessment in excess of the above amount which additional assessment shall be evidenced by the filing of supplementary declarations of covenants, conditions and restrictions. The maximum annual assessment may be increased above the rate specified above by a vote of a majority of the votes of members entitled to vote in person or by proxy, at a meeting duly called for such purpose.

From and after January 1, 2005, the maximum annual assessment may be increased each year by an amount no greater than fifteen percent (15%) above the maximum assessment for the previous year pursuant to a majority vote of the Board. The Board may, upon a majority vote thereof, after consideration of then current maintenance costs and future needs of the Association, fix the actual assessment for any year at a lesser amount.

Section 4. Special Assessments. In addition to the annual assessments authorized above, in any year after the calendar year 2005, the Association may levy a special assessment applicable to that year only for the purpose of defraying in whole or in part, the cost for necessary purposes of the Association, such as the construction, reconstruction, maintenance, repair or replacement of a capital improvement in the Common Areas, including fixtures and personal property related thereto, or for counsel fees or the fees of other retained experts provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Members entitled to vote in person or by proxy, at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Section 3 and 4.

Written notice of any meeting called for the purpose of taking any such action authorized under Section 3 or 4 hereof shall be sent to all Members not less thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. Subsequent meetings can continue to be called in the aforesaid manner with the required quorum at any subsequent meeting(s) being one-half (1/2) of the required quorum at the preceding meeting until a quorum is present and votes are cast. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Effect of Nonpayment of Assessments: Remedies of the Association.

Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the maximum lawful rate. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot.

Section 7. Subordination of the Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer; provided, however, that the proceeds from any such sale, to the extent they exceed the first mortgage shall be used to satisfy the lien for assessments. No sale or transfer shall relieve such Lot from liability of any assessments which thereafter become due or from the lien thereof.

Section 8. Suspension of Rights of Membership. Prior to foreclosure of any lien upon any Lot subject to this Declaration, the Board of Directors of the Association may elect to suspend all membership rights of any Member or Members of the Association who are delinquent in any payment due to the Association for more than 30 days, with such suspension to continue for so long as any such delinquency exists, and said Board of Directors may further suspend membership rights for a period not to exceed 30 days for the infraction of any rules or regulations by the Member, family of the Members or guests of the Members, relating to the violation of any obligation, covenant, or condition herein or relating to the use of any of the Common Areas, with such suspension not to exceed 30 days in duration. Suspension of membership rights shall be effective from the date that notice of suspension is mailed to the Member via U. S. Certified Mail, Return Receipt Requested, postage prepaid, to the last known address of the said Member, and a copy of the notice shall be posted on any or all of the Common Areas during said suspension.

Section 9. Cancellation and Hearing. The said Board of Directors may elect to permanently cancel the membership and all membership rights of any Member who is delinquent in any payment due to the Association for more than 90 days or when such Member, family of the Member, or guest of the Member are guilty of repeated or flagrant violation after a hearing conducted by said Board of Directors, with notice of such hearing mailed to such Member at least 30 days in advance of said hearing date, and further provided that such Member may appeal any such decision of said Board of Directors to the membership of the Association by such affected Member calling a special meeting of the membership of the Association by notice mailed to each Member at least ten days in advance of the desired special meeting date, and said notice setting forth the time, date, place and purpose of said meeting. A majority of votes entitled to be cast of the Members of the Association attending such special meeting shall be necessary to override the decision of the Board of Directors, and all votes shall be by secret ballot. Notice shall be mailed by the Member via U. S. Certified Mail, postage prepaid, return receipt requested.

For this purpose, Declarant shall have the right and responsibility to review and approve plans and specifications for all new construction on the Property. Further, all contractors constructing any improvements on the Lots must be approved by the Declarant and must provide proof of adequate and appropriate insurance to the Declarant. Declarant also reserves the right to delegate to the

Architectural Review Committee or to another party all or any part of its rights and responsibilities to create, administer, review and/or approve plans and specifications for new construction and to approve contractors on any part or all of the Property. At any time after ten years from the date of this Declaration, or the date upon which Declarant is no longer the Owner of any Lot, whichever occurs first, Declarant shall relinquish to the Association all its rights and responsibilities pertaining to the review and approval of plans and specifications for construction on the Property provided that the Association has an Architectural Review Committee designated for the purpose of reviewing and approving the plans and specifications for construction on the property; provided, that Declarant shall have the option of relinquishing such control at any earlier time Declarant elects.

In the event said ARC fails to approve or disapprove any such design or location within forty-five (45) days after said plans and specifications have been received by it, approval will not be required, and this Article will be deemed to have been fully complied with. All plans and specifications shall be submitted in writing over the signature of the Owner of the Lot or the Owner's authorized agent. The ARC shall have the right to require any Owner to remove or alter any structure which has not received approval or is built other than in accordance with the approved plans and to receive reimbursement from Owner for any costs expended in this effort. The requirement of this Article is in addition to any approvals or permits required by any appropriate governmental entity.

Section 3. No Liability. Neither Declarant and its assigns, the Association, its Board of Directors, nor the ARC or the Members thereof shall be liable in damages to anyone submitting plans or specifications to them for approval, or to any Owner of a Lot affected by these restrictions by reason of mistake in judgment, negligence, or disapproval or failure to approve or disapprove any such plans or specifications and no approval or required modification of plans submitted shall be considered a warranty of any nature whatsoever pertaining to the

suitability of such plans and specifications. Every person who submits plans or specifications to the ARC for approval agrees, that no action or suit for damage will be brought against Declarant, the Association, its Board of Directors, the ARC, or any of the members thereof.

Section 4. Rules and Regulations. Declarant may, in its sole discretion, adopt, promulgate, amend and repeal rules and regulations interpreting and implementing the provisions of this Article VI.

Section 5. Variances. Utility companies shall not be liable for such damage unless they have agreed in writing to be responsible for such damage or an easement granted to them conditions such grant upon such responsibility.

Section 9. Audio and Video Communication Service. In the event that audio and video communication services and facilities are made available to any Lot by means of an underground coaxial cable system, there is hereby reserved to the company furnishing such services and facilities a two feet wide easement along and centered on the underground wire or cable when and as installed by the company furnishing the service from the utility easement nearest to the point of connection on the permanent improvement of structure constructed, or to be constructed, upon the Lot and in a direct line from the nearest utility easement to the point of connection.

Section 10. Temporary Structures and Out Buildings. No structures of temporary character, nor any mobile home, trailer, tent, shack, garage, barn, playhouse or other outbuilding shall be constructed, erected, altered, placed or permitted to remain on any Lot at any time, provided, however, that it is permissible to have a permanent storage building in the rear yard of a Lot provided that the square footage of such storage building does not exceed 250 square feet and is constructed of materials that complement the Dwelling which it accompanies. Temporary structures may be used as sales offices or as construction offices and for other related purposes by Declarant during the construction and sales period. Such structures shall be maintained and shall be removed at completion and sale of all construction of this Development.

Section 11. Animal Husbandry. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot except dogs, cats and other common household pets (not to exceed two of each category) provided they are not kept, bred or maintained for commercial purposes. Notwithstanding the foregoing, no animals or fowl may be kept on the Property which result in an annoyance or are obnoxious to residents in the vicinity. Animals are not permitted to roam the Property and must be controlled on a leash if they are not on a Lot. No dog runs shall be allowed except with the permission of the ARC.

Section 12. Walls, Fences and Hedges. Before any fence or wall may be constructed on any residential Lot, plans must be submitted to the ARC showing the materials to be used and the location of the fence or wall and such plans must be approved by the ARC. In considering location of a fence, the ARC may consider, among other factors, the front fence line of adjacent

properties. All fences or walls shall be constructed at a height of six (6) feet to maintain uniformity. Privacy fences and walls shall be constructed in a shadowbox design of wood materials. The fence or wall facing the street must be constructed of wrought iron or ornamental steel unless otherwise allowed by the ARC. There shall be no chain link or cyclone fences allowed. Further, construction of fences, walls and hedges are prohibited in or on the front lawn of any Lot.

Section 13. Antennae and Satellite Dishes. No communications mast, antenna, tower or other similar structure may be installed on any Lot, except that satellite dishes may be installed only on the rear roof of a dwelling and shall not exceed the height of the lowest roof ridge line of such dwelling.

Section 14. Heating and Cooling Devices. No detached single-family dwelling, private garage or any other structure located on the Property shall be permitted to have a heating or cooling device located in a window or any other opening which can be viewed from any portion of the Property. Heating and cooling devices may be used in windows or other openings of any structure used by Declarant during the construction and sale of all structures of this subdivision.

Section 15. Visual Screening. All equipment, garbage cans, service yards, woodpiles, refuse containers, or storage piles and household projects such as equipment repair and construction projects shall be screened by adequate planting or fencing so as to conceal them from view of neighboring lots, streets, parks and public areas. All rubbish, trash, and garbage shall be kept in sanitary refuse containers with tightly fitting lids and shall be regularly removed from the Lots and not allowed to accumulate thereon. No basketball goals or other items of a similar nature shall be installed permanently in the front yard of any Lot nor shall any clothes line be permitted on the outside of any Dwelling.

Section 16. Visual Obstructions at the Intersections of Public Streets. No object or thing which obstructs sight lines at elevations between two (2) and six (6) feet above the roadways within the triangular area formed by the junction of street curb lines and a line connecting them at points twenty-five (25) feet from the junction of the street curb lines (or extensions thereof) shall be placed, planted or permitted to remain on any corner lots.

Section 17. Lot Maintenance. All Lots shall be kept at all times in a sanitary, healthful and attractive condition, and the Owner or occupant of all Lots shall keep all weeds and grass thereon cut and neatly maintained and shall in no event use any Lot for storage of material and equipment except for normal residential purposes or incident to construction of improvements thereon as herein permitted, or permit the accumulation of garbage, trash or rubbish of any kind thereon, and shall not burn any garbage, trash or rubbish. All Owners shall be required to have mandatory trash pick up as provided by the City of Bentonville, Arkansas.

Further, upon the completion of construction of a Dwelling, the Owner shall sod the lawn area of the Lot from the back of such dwelling to the curb line.

Section 18. Storage of Automobiles, Boats, Trailers, Other Vehicles and Equipment.

No automobiles, boats, trailers, campers, recreational vehicles, motorcycles, buses, inoperative vehicles of any kind, camp rigs off truck, or boat rigging shall be parked or stored permanently or semi-permanently on any public street right-of-way, front yard area, back-yard area, or on driveways. However, such vehicles may be stored in Dwelling garages or approved out-buildings. For the purposes of these restrictions, the words "semi-permanent" shall be defined as remaining in the same location without movement for forty-eight (48) or more consecutive hours, provided, however, that no vehicle of any type may be parked overnight in or on the streets of the Development. No eighteen-wheel vehicles and other similar large van or flat-bed type vehicles may be parked on any public street right-of-way, front yard area or on driveways except to deliver merchandise or other materials to residents or construction sites.

Section 19. Limited Access and Driveways. There shall be no access to any Lot on the perimeter except from designated streets or roads within the Development. No curb cut for such access shall be closer than five (5) feet to the side property line of any Lot. All curbs are to be neatly blended into the driveway radius.

Section 20. Sidewalks. Sidewalks shall be installed on each Lot in the manner required by applicable ordinances and regulations and shall be installed prior to the issuance of a certificate of occupancy for the Dwelling by the applicable governmental authority.

Section 21. Mail Receptacles. In order to ensure a uniform and complementary look, only mailboxes and receptacles approved by the ARC may be installed and used by Owners.

Section 22. Signs, Advertisements and Billboards. No sign, advertisement, billboard or advertising structure of any kind shall be displayed to the public view on any portion of a Lot or Common Areas except for one sign for each Lot of not more than 28 inches by 38 inches solely advertising the Lot for sale or rent, and except signs used by Declarant to advertise the Lot during the construction and sales period. The Declarant and the Association shall have the right to remove any signs, advertisements or billboard or structure which is placed on Lots or Common Areas, in violation of this section and in so doing shall not be subject to any liability for trespass or other tort in connection therewith or arising from such removal.

Section 23. Removal of Soil. The digging of soil or the removal of soil from any Lot is expressly prohibited except as necessary in conjunction with the landscaping of or construction on said Lot.

Section 24. Lot Drainage. Each Owner of a Lot agrees for himself, his heirs, or successors in interest that he will not in any way interfere with the established drainage pattern over his Lot from adjoining or other Lots in said tract; he will make adequate provisions for the proper drainage in the event it becomes necessary to change the established drainage over his Lot. For the purpose hereof, "established drainage" is defined as the drainage which occurred at the time that the overall grading of said tract, including landscaping of any Lots, and said tract was completed by Declarant.

Section 25. Water and Mineral Operations and Wind Generators. No oil or water drilling, oil or water development operations, oil refinery, quarry or mining operations or any kind shall be permitted on any Lot, nor shall oil or water wells, tanks, pumps, derricks, structures, mineral excavations or shafts be permitted on any Lot. No wind generators shall be erected or maintained on any Lot.

Section 26. Solar Collectors. No solar collectors shall be installed without written approval from the ARC. Such installation shall be in harmony with the design of the Dwelling. When reasonably possible, solar collectors shall be installed in a location not visible from the public street in front of the residence.

Section 27. Enforcement. In the event of default on the part of the Owner or occupant of any Lot in observing any or all of the requirements herein set forth, such default continuing after ten (10) days written notice thereof, the Declarant or the Association may, without liability to the Owner or occupant, in trespass or otherwise, enter upon said Lot, cut, or cause to be cut, such weeds and grass, and remove or cause to be removed, such garbage, trash or rubbish or do any other thing necessary to secure compliance with these restrictions, so as to place said Lot in a neat, attractive, healthful and sanitary condition, and may charge the Owner or occupant of such Lot for the cost of such work. The Owner or occupant, as the case may be, agrees by the purchase or the occupation of the Lot to pay such statement immediately upon receipt thereof. To secure the payment of such charges in the event of nonpayment by the Owner, a vendor's and continuing contractual lien shall be retained by Declarant at the time of conveyance of each Lot in favor of Declarant or Association, but inferior to a purchase money lien or mortgage. Such vendor's and continuing contractual lien shall be applicable and effective whether mentioned specifically or omitted in each conveyance of a Lot by Declarant.

ARTICLE X RESERVE FUNDS; LEASES

Section 1. Reserve Fund. Association budgets shall include an adequate reserve fund for maintenance, repairs and replacement of those elements of the Common Areas and Common Facilities and to insure any and all obligations of the Association that will be payable in installments as part of the common assessment.

Section 2. Leases. Any lease agreement between an Owner and a lessee shall be subject in all respects to the provisions of this Declaration, the By-Laws and Articles of Incorporation of the Association whether or not reference is made to the Declaration, By-Laws and Articles of Incorporation in the lease.

ARTICLE XI GENERAL PROVISIONS

Section 1. Enforcement. The Association and any Owner shall have the right to enforce, by any proceedings at law or in equity, all restrictions, conditions, covenants, reservations, liens or charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants, conditions or restrictions shall not affect any other provision, which shall remain in full force and effect.

Section 3. Duration; Amendment. The provisions of this Declaration shall run with and bind the Property for a term of twenty-five years from this date, after which time they shall be automatically extended for successive periods of ten years.

Deeds of conveyance of Lots or any part thereof, may contain the above restrictive covenants by reference to this document, but whether or not such reference is made, each and all of such restrictive covenants shall be valid and binding upon the restrictive grantees.

This Declaration may be amended during the first twenty-five year period by an instrument signed by a sufficient number of Owners representing not less than two-thirds (2/3) of the votes in the Association, and thereafter by an instrument signed by a sufficient number of Owners representing not less than fifty percent of the votes.

However, the Declarant reserves the right during the Development Period, without joinder or consent of any Owner, Developer, Builder or mortgagee, to amend this Declaration or the By-Laws by an instrument in writing duly signed, acknowledged and filed for record, for any purpose whatsoever. Furthermore, Declarant reserves the right to make additional restrictions in any deed conveying title to a Lot.

All amendments shall be recorded in the Official Public Records of Real Property of Benton County, Arkansas.

Section 4. Books and Records. The books and records of the Association shall, during reasonable business hours, be subject to reasonable inspection by any Member. The

Board of Directors may, by resolution, establish rules and regulations governing the frequency of inspection and other matters to the end that inspection of the books and records by any Member will not become burdensome to nor constitute harassment of the Association. The Declaration, the Articles of Incorporation and By-Laws of the Association shall be available for inspection by any Member at the principal office of the Association, where copies may be purchased at reasonable cost.

Section 5. Notices. Any notice required to be sent to any Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as Owner on the records of the Association at the time of such mailing.

Section 6. Good Faith Lender's Clause. Any violation of these covenants, conditions or restrictions shall not affect any lien or deed of trust of record held in good faith, upon any Lot, which liens may be enforced in due course, subject to the terms of this Declaration.

Section 7. Mergers. Upon a merger or consolidation of the Association with another association as provided by its Articles of Incorporation, its properties, assets, rights and obligations may be transferred to another surviving or consolidated association or, alternatively, the properties, assets, rights and obligations of another association may be transferred to the Association as a surviving corporation. The surviving or consolidated association shall administer the covenants, conditions and restrictions contained in this Declaration, under one administration. No such merger or consolidation shall cause any revocation, change or addition to this Declaration.

Section 8. Annexation.

(a) Notwithstanding any other provision herein, Declarant shall have the sole right and privilege, without the consent of any other Owners or any First Mortgagee, to bring additional property within the scheme of the Declaration, in one (1) or more future stages, sections or additions, within fifteen (15) years of the date of recording of this instrument. Further, any land annexed to the Property and subject to this Declaration may be acquired (by gift, purchase or otherwise) and/or designated as Common Areas by the Association without the consent of any Owners or any First Mortgagee. Additional land that is added or annexed shall become subject to assessment in accordance with Article V.

(b) The additions authorized under this Section shall be made by filing of record: (a) Supplementary Declaration(s) of Covenants, Conditions and Restrictions with respect to the additional lands which shall (i) extend the scheme of the covenants and restrictions or this Declaration to such lands and (ii) provide, if applicable, that the proportionate ownership interests in the Common Areas or the Owners by virtue of Association membership immediately

prior to the filing of such Supplementary Declaration shall be equal to the number of Lots owned by such Owner divided by the total number of Lots within the lands then subject to this Declaration after such annexation; and (b) a deed from Declarant to the Association which shall convey to the Association the area within such additions (except for the Lots therein) as Common Areas for the sole benefit and use of the Owners, with reservation of Declarant's rights set forth herein.

Section 9. Deannexation.

(a) Land or lands may be deannexed from the Property with the consent of two-thirds (2/3) of each class of members and the approval of the Owner(s) of the land to be deannexed.

(b) Notwithstanding anything contained in Subparagraph (a) above, or any other provision herein, Declarant shall have the right, without the consent of any other Owners or any First Mortgagee, to deannex land from the scheme of the Declaration if the Owner of the land is agreeable to the deannexation and if the deannexation would benefit the general development process or general development plan.

(c) The deannexations authorized under this Section shall be filed of record.

Section 11. Additional Phases. The Declarant reserves the right, without joinder or consent of any Owner, Developer, Builder or Mortgagee, to file additional plats in the office of the Circuit Clerk and Ex-Officio Recorder of Benton County, Arkansas to add additional phases which shall be subject to this Declaration.

IN WITNESS WHEREOF, the undersigned being the Declarant herein, has hereunto set its hand and seal this 26th day of October, 2004.

**SECOND AMENDMENT TO DECLARATION
OF COVENANTS, CONDITIONS AND RESTRICTIONS
FOR
WHITE OAK TRAILS SUBDIVISION**

This Second Amendment to Declarations of Covenants, Conditions and Restrictions for White Oak Trails Subdivision (hereafter "Second Amended Declaration") is made on the date hereinafter set forth.

KNOW ALL MEN BY THESE PRESENTS:

WHEREAS, on October 26, 2004, a Declaration of Covenants, Conditions and Restrictions for White Oak Trails Subdivision was filed for record in the Real Estate Records of Benton County, Arkansas at Record No. 2004 49773 regarding Property of the White Oak Trails Subdivision, such Property being reflected in Record No. 2004 1122 of the Plat Records of Benton County, Arkansas ("Original Declaration") and being more particularly described in Exhibit "A" which is attached hereto and made a part hereof ; and,

WHEREAS, by the terms of Article XI, Section 3 of the Original Declaration, amendments to the Declaration may be made by the Declarant, 67 Development Corporation, without joinder of any Owner, Builder or mortgagor, during the Development Period; and,

WHEREAS, on September 14, 2005, an Amendment to Declarations of Covenants, Conditions and Restrictions for White Oak Trails Subdivision was filed for record in the Real Estate Records of Benton County, Arkansas at Record No. 2005 48933 ("Amended Declaration");

WHEREAS, the Development Period has not run and the Declarant desires to further amend the Original Declaration and Amended Declaration has hereinafter set forth and further desires to file an instrument to signify the amendments;

NOW, THEREFORE, the undersigned Declarant, does hereby declare that the Original Declaration is hereby amended to provide for the following:

1. That Article V, Section 3 of the Original Declaration is hereby amended to add the following at the end thereof:

"Notwithstanding the foregoing, for each Lot sold by Declarant to a builder for the construction of a home thereon for sale, and for so long as each such Lot and any Dwelling constructed thereon remains vacant, the builder shall only be required to pay

annual assessments attributable to the Lot in the amount of \$20.00 and shall not be subject to special assessments by reason of ownership of said Lot; provided, however, that once the builder sells the Lot or the dwelling constructed on the Lot becomes occupied, the Lot will thereafter be continuously subject to the annual and special assessments as provided herein.”

2. That Article IX, Section 9 is hereby amended by deleting the word “playhouse” therefrom.

3. That Article IX, Section 13 is hereby deleted in its entirety and replaced with the following:

“No communications mast, antenna, tower or other similar structure may be installed on any Lot, except that satellite dishes may be installed on the back 3/4 of the roof line of a dwelling. The Owner shall make all effort to conceal the satellite dishes with the roof line of such dwelling and such satellite dishes may not exceed the height of the lowest roof ridge line of such dwelling. Notwithstanding the foregoing, no more than two (2) satellite dishes, no greater than twenty-four inches (24”) in diameter shall be permitted on any single Lot dwelling. Wiring incident to the installation and operation of the satellite dish shall be done in such a manner as is reasonably possible to prevent being visible from the street.”

4. That Article IX, Section 17 of the Original Declaration is hereby amended to add the following at the end thereof:

“The Owner of a Lot may store materials and equipment incident to the construction of improvements thereon until such time as the construction of the improvements is substantially complete (i.e., only minor work to fully complete in accordance with the final approved plans and specifications for the improvements remains). Once substantial completion of the improvements has occurred, all materials and equipment must be removed from the Lot. Notwithstanding the foregoing, during the construction of improvements on a Lot, the Owner of the Lot must not permit the accumulation of garbage, rubbish or trash on the Lot and must keep the Lot in a sanitary condition. In addition construction materials, equipment and trailers shall not be permitted to remain on any Lot not actively under construction.”

Except as expressly set forth herein, nothing contained in this Second Amended Declaration shall be construed to amend the Original Declaration or the Amended Declaration.

IN WITNESS WHEREOF, the undersigned being the Declarant herein, has hereunto set its hand and seal this 19 day of May, 2008.

**THIRD AMENDMENT TO DECLARATION OF COVENANTS, CONDITIONS AND
RESTRICTIONS FOR WHITE OAK TRAILS SUBDIVISION**

THIS THIRD AMENDMENT TO DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS FOR WHITE OAK TRAILS SUBDIVISION ("Third Amendment") is made and entered into effective as of May 23, 2011 (the "**Effective Date**"), by **67 Development Corporation**, an Arkansas corporation ("**Declarant**"). All capitalized terms used but not defined herein shall have the meanings ascribed to said terms in the Amended Declaration (as hereinafter defined).

Recitals:

The following Recitals are a material part of this Third Amendment.

A. On October 26, 2004, a Declaration of Covenants, Conditions and Restrictions for White Oak Trails Subdivision was filed of record in the Circuit Clerk's Office of Benton County, Arkansas in Deed Book 2004 at Page 49773 (the "**Original Declaration**") regarding certain property known as the White Oak Trails Subdivision, such property being reflected of record in Record No. 2004 1122 of the Plat Records of Benton County, Arkansas, and being more particularly described on **Exhibit A** attached hereto and incorporated herein (the "**Property**").

B. On September 14, 2005, an Amendment to Declaration of Covenants, Conditions and Restrictions for White Oak Trails Subdivision ("**First Amendment**") was

filed of record in the Circuit Clerk's Office of Benton County, Arkansas in Deed Book 2005 at Page 48933.

C. On May 19, 2008, a Second Amendment to Declaration of Covenants, Conditions and Restrictions for White Oak Trails Subdivision ("**Second Amendment**") was filed of record in the Circuit Clerk's Office of Benton County, Arkansas in Deed Book 2008 at Page 18580. The Original Declaration, as amended by the First Amendment and further amended by the Second Amendment shall hereinafter be referred to collectively as the "**Amended Declaration.**"

D. The Development Period has not run pursuant to the Amended Declaration and Declarant desires to further amend the Amended Declaration as hereinafter set forth.

NOW, THEREFORE, Declarant does hereby declare the Amended Declaration to be amended as follows:

1. Article V, Section 3 of the Amended Declaration is hereby amended and restated in its entirety as follows:

"Section 3. Amount of Annual Assessment. The amount of the annual assessment shall be \$495.00 per Lot which shall be payable on January 1 of each year or at such other time or times as may be designated by the Board. On any sale of a Lot by Declarant, the Owner shall pay such assessment in advance on the date of conveyance to such Owner with the amount to be prorated based upon the number of months from the month of the conveyance to January 1. Prior to the initial sale of a particular Lot, Declarant may establish an annual assessment in excess of the above amount which additional assessment shall be evidenced by the filing of supplementary declarations of covenants, conditions and restrictions. The maximum annual assessment may be increased above the rate specified above by a vote of a majority of the votes of members entitled to vote in person or by proxy, at a meeting duly called for such purpose.

From and after January 1, 2005, the maximum annual assessment may be increased each year by an amount no greater than fifteen percent (15%) above the maximum assessment for the previous year pursuant to a majority vote of the Board. The Board may, upon a majority vote thereof, after consideration of then current maintenance costs and future needs of the Association, fix the actual assessment for any year at a lesser amount.

Notwithstanding the foregoing, from and after the Effective Date, for each Lot sold by Declarant to a builder for the construction of a home thereon for sale, and for so long as each such Lot and the Dwelling constructed thereon remains vacant, the builder shall only be required to pay annual assessment attributable to the Lot in the amount of \$22.00 and shall not be subject to special assessments (identified in Section 4 of Article V) by reason of ownership of said Lot (the "**Exempt Status**"); provided, however, that once the builder sells the Lot or the Dwelling constructed on the Lot becomes occupied, the Lot will thereafter be continuously subject to the full annual dues and special assessments as

provided herein. To qualify for Exempt Status, the builder must provide the Association with a copy of the builder's vesting deed from Declarant as notification of the builder's claim for Exempt Status. To maintain Exempt Status, the builder must (i) commence construction of a home on said Lot for sale within one hundred eighty (180) days from the date of the closing on the purchase and sale of said Lot from Declarant ("**Exemption Start Date**"), and (ii) diligently pursue the completion of construction of said home within a reasonable time thereafter but in no event later than two (2) years from the Exemption Start Date (collectively, items (i) and (ii) shall be referred to as the "**Exempt Status Requirements**"). Failure to comply with either of the Exempt Status Requirements shall automatically terminate the builder's right to Exempt Status and the Lot will thereafter be continuously subject to full annual dues and special assessments as provided herein. For purposes of this provision, "completion of construction" shall be deemed to have occurred on the date upon which either a temporary or permanent certificate of occupancy has been issued for the house on said Lot. Declarant and any and all builders claiming Exempt Status shall have no rights to an easement of enjoyment in and to the Common Areas as set forth in Article III hereof. Once the builder sells a Lot or the Dwelling constructed on a Lot subject to Exempt Status becomes occupied, the Lot will immediately thereafter be continuously subject to full annual dues and special assessments as provided herein and the Lot Owner shall have a right to an easement of enjoyment in and to the Common Areas pursuant to Article III hereof."

2. Pursuant to Section 4 of Article V of the Amended Declaration, the Association hereby levies a special assessment in the amount of \$285.00 per Lot to be collected by the Board prior to December 31, 2011 except as to any Lot under Exempt Status.

3. Except as specifically modified by this Third Amendment, the provisions of the Amended Declaration shall remain in full force and effect, unchanged and unmodified by this Third Amendment and this Third Amendment shall be binding upon and inure to the benefit of the parties hereto, their respective successors and assigns.

4. This instrument may be executed in multiple counterparts, each of which shall constitute an original instrument, but all of which shall constitute one and the same agreement.

[Remainder of Page Intentionally Blank; Signature Page Follows.]

IN WITNESS THEREOF, Declarant has executed this Third Amendment effective as of the Effective Date.

**ARTICLE III
PROPERTY RIGHTS**

Section 1. Owner's Easements of Enjoyment. Except as otherwise set forth herein, every Lot Owner who owns an interest in the Property shall have a right to an easement of enjoyment in and to the Common Areas which shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

(a) the right of the Association to grant or dedicate easements in, on, under or above the Common Areas or any part thereof to any public or governmental agency or authority or to any utility company for any service to the Property or any part thereof;

(b) the right of the Association to prevent an Owner from planting, placing, fixing, installing or constructing any vegetation, hedge, tree, shrub, fence, wall, structure, sign or improvement or storing any personal property on the Common Areas or any part thereof without the prior written consent of the Association. The Association shall have the right to remove anything placed on the Common Areas in violation of the provisions of this subsection and to assess a fine and the cost of such removal against the Owner responsible;

(c) the right of Declarant (and its sales agents and representatives) and its assigns to the non-exclusive use of the Common Areas and the facilities thereof, for display and exhibit purposes in connection with the sale of Lots within the Property, which right Declarant hereby reserves; provided, however, that such use shall not continue for a period of more than fifteen (15) years after conveyance of the Common Areas within the Property to the Association; provided, further, that no such use by Declarant or its sales agents or representatives shall otherwise unreasonably restrict the Members in their use and enjoyment of the Common Areas;

(d) the right of the Association to establish uniform rules and regulations pertaining to the use of any Common Areas owned by the Association; and

(e) the right of the Association to suspend the voting rights of an Owner and the Owner's right to use any Common Areas of the Association during the period the Owner is in default in excess of thirty (30) days in the payment of any maintenance charge assessment against a Lot and to suspend such rights for any infraction of its published rules and regulations. The aforesaid rights of the Association shall not be exclusive but shall be cumulative of and in addition to all other rights and remedies which the Association may have by virtue of this Declaration or its By-Laws or at law or in equity on account of any such default or infraction.

Section 2. Delegation of Use. Owners having an easement of enjoyment in and to the Common Areas may delegate, in accordance with the By-Laws, their right to or enjoyment of the Common Areas to members of their families, tenants, or contract purchasers who reside in

Owner's residential dwelling.

Section 3. Waiver of Use. No Owner may be exempt from personal liability for assessments duly levied by the Association, nor release a Lot owned from the liens and charges hereof, by waiver of or suspension of the Owner's rights (pursuant to this Declaration or any By-Law of the Association) with regard to the use and enjoyment of the Common Areas thereon or by abandonment of Owner's Lot.

Section 4. Maintenance Right of Entry. The Declarant and the Association shall have the right of ingress and egress over the entire Property (on any Lot or other property subject to the easement) to provide access to allow Declarant, the Association, or their agents and assigns to perform the purposes and matters set forth in this Declaration.

ARTICLE IV MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Each person or entity who is a record Owner of any of the Property which is subject to assessment by the Association shall be a Member of the Association. Declarant shall be considered a member so long as it owns any Lot or Lots in the Property. The foregoing is not intended to and does not include persons or entities who hold an interest merely as security for the performance of an obligation. No Owner shall have more than one membership. Membership shall be appurtenant to and may not be separated from ownership of the land which is subject to assessment by the Association.

Section 2. Voting Classes. The Association shall initially have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant (except as hereinafter provided) and shall be entitled to one vote for each Lot owned. When more than one person owns an interest in any Lot all such persons shall be members. The vote of such Lot shall be exercised as the persons among themselves determine, but in no event shall more than one vote be cast with respect to each Lot owned. Tenants who are also not owners of a Lot shall not be members and shall not be entitled to any votes.

Class B. The Class B member shall be the Declarant and shall be entitled to 4 votes for each Lot owned including Lots of any Lots in additional phases that may hereafter be made a part of the Development. Class B membership shall cease and be converted to Class A membership at such time as Declarant has conveyed thirty (30) Lots to Owners other than the Declarant.

**ARTICLE V
COVENANT FOR MAINTENANCE
ASSESSMENTS**

Section 1. Creation of the Lien and Personal Obligation of Assessments. Annual assessments and special assessments are to be established as hereinafter provided. For each Lot owned by an Owner, Owner by acceptance of deed for said Lot is deemed to covenant and agrees to pay annual and special assessments to the Association, whether or not it shall be so expressed in such deed. Declarant shall not pay annual assessments or special assessments to the Association, except on a voluntary basis; provided, however, Declarant shall be responsible for the cost and expense of maintenance and upkeep of any Common Areas until November 1, 2005. There shall be no assessment against any Common Areas.

The regular and special assessments, together with interest, penalties, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing and contractual lien upon the Lot against which each such assessment is made. Section 7. Mergers. Upon a merger or consolidation of the Association with another association as provided by its Articles of Incorporation, its properties, assets, rights and obligations may be transferred to another surviving or consolidated association or, alternatively, the properties, assets, rights and obligations of another association may be transferred to the Association as a surviving corporation. The surviving or consolidated association shall administer the covenants, conditions and restrictions contained in this Declaration, under one administration. No such merger or consolidation shall cause any revocation, change or addition to this Declaration.

Section 8. Annexation.

Section 9. Deannexation.

**THIRD AMENDMENT TO DECLARATION OF COVENANTS, CONDITIONS AND
RESTRICTIONS FOR WHITE OAK TRAILS SUBDIVISION**

**THIS THIRD AMENDMENT TO DECLARATION OF COVENANTS, CONDITIONS
AND RESTRICTIONS FOR WHITE OAK TRAILS SUBDIVISION ("Third Amendment")** is
made and entered into effective as of May 23, 2011 (the "**Effective Date**"), by **67
Development Corporation**, an Arkansas corporation ("**Declarant**"). All capitalized terms
used but not defined herein shall have the meanings ascribed to said terms in the
Amended Declaration (as hereinafter defined).

Recitals:

The following Recitals are a material part of this Third Amendment.

A. On October 26, 2004, a Declaration of Covenants, Conditions and
Restrictions for White Oak Trails Subdivision was filed of record in the Circuit Clerk's Office
of Benton County, Arkansas in Deed Book 2004 at Page 49773 (the "**Original
Declaration**") regarding certain property known as the White Oak Trails Subdivision, such
property being reflected of record in Record No. 2004 1122 of the Plat Records of Benton
County, Arkansas, and being more particularly described on **Exhibit A** attached hereto and
incorporated herein (the "**Property**").

B. On September 14, 2005, an Amendment to Declaration of Covenants,
Conditions and Restrictions for White Oak Trails Subdivision ("**First Amendment**") was

Book 2011 Page 26166
 Recorded in the Above
 DEED Book & Page
 05/24/2011

filed of record in the Circuit Clerk's Office of Benton County, Arkansas in Deed Book 2005 at Page 48933.

C. On May 19, 2008, a Second Amendment to Declaration of Covenants, Conditions and Restrictions for White Oak Trails Subdivision ("**Second Amendment**") was filed of record in the Circuit Clerk's Office of Benton County, Arkansas in Deed Book 2008 at Page 18580. The Original Declaration, as amended by the First Amendment and further amended by the Second Amendment shall hereinafter be referred to collectively as the "**Amended Declaration.**"

D. The Development Period has not run pursuant to the Amended Declaration and Declarant desires to further amend the Amended Declaration as hereinafter set forth.

NOW, THEREFORE, Declarant does hereby declare the Amended Declaration to be amended as follows:

1. Article V, Section 3 of the Amended Declaration is hereby amended and restated in its entirety as follows:

"Section 3. Amount of Annual Assessment. The amount of the annual assessment shall be \$495.00 per Lot which shall be payable on January 1 of each year or at such other time or times as may be designated by the Board. On any sale of a Lot by Declarant, the Owner shall pay such assessment in advance on the date of conveyance to such Owner with the amount to be prorated based upon the number of months from the month of the conveyance to January 1. Prior to the initial sale of a particular Lot, Declarant may establish an annual assessment in excess of the above amount which additional assessment shall be evidenced by the filing of supplementary declarations of covenants, conditions and restrictions. The maximum annual assessment may be increased above the rate specified above by a vote of a majority of the votes of members entitled to vote in person or by proxy, at a meeting duly called for such purpose.

From and after January 1, 2005, the maximum annual assessment may be increased each year by an amount no greater than fifteen percent (15%) above the maximum assessment for the previous year pursuant to a majority vote of the Board. The Board may, upon a majority vote thereof, after consideration of then current maintenance costs and future needs of the Association, fix the actual assessment for any year at a lesser amount.

Notwithstanding the foregoing, from and after the Effective Date, for each Lot sold by Declarant to a builder for the construction of a home thereon for sale, and for so long as each such Lot and the Dwelling constructed thereon remains vacant, the builder shall only be required to pay annual assessment attributable to the Lot in the amount of \$22.00 and shall not be subject to special assessments (identified in Section 4 of Article V) by reason of ownership of said Lot (the "**Exempt Status**"); provided, however, that once the builder sells the Lot or the Dwelling constructed on the Lot becomes occupied, the Lot will thereafter be continuously subject to the full annual dues and special assessments as

Book 2011 Page 26167
Recorded in the Above
DEED Book & Page
05/24/2011

provided herein. To qualify for Exempt Status, the builder must provide the Association with a copy of the builder's vesting deed from Declarant as notification of the builder's claim for Exempt Status. To maintain Exempt Status, the builder must (i) commence construction of a home on said Lot for sale within one hundred eighty (180) days from the date of the closing on the purchase and sale of said Lot from Declarant ("**Exemption Start Date**"), and (ii) diligently pursue the completion of construction of said home within a reasonable time thereafter but in no event later than two (2) years from the Exemption Start Date (collectively, items (i) and (ii) shall be referred to as the "**Exempt Status Requirements**"). Failure to comply with either of the Exempt Status Requirements shall automatically terminate the builder's right to Exempt Status and the Lot will thereafter be continuously subject to full annual dues and special assessments as provided herein. For purposes of this provision, "completion of construction" shall be deemed to have occurred on the date upon which either a temporary or permanent certificate of occupancy has been issued for the house on said Lot. Declarant and any and all builders claiming Exempt Status shall have no rights to an easement of enjoyment in and to the Common Areas as set forth in Article III hereof. Once the builder sells a Lot or the Dwelling constructed on a Lot subject to Exempt Status becomes occupied, the Lot will immediately thereafter be continuously subject to full annual dues and special assessments as provided herein and the Lot Owner shall have a right to an easement of enjoyment in and to the Common Areas pursuant to Article III hereof."

2. Pursuant to Section 4 of Article V of the Amended Declaration, the Association hereby levies a special assessment in the amount of \$285.00 per Lot to be collected by the Board prior to December 31, 2011 except as to any Lot under Exempt Status.

3. Except as specifically modified by this Third Amendment, the provisions of the Amended Declaration shall remain in full force and effect, unchanged and unmodified by this Third Amendment and this Third Amendment shall be binding upon and inure to the benefit of the parties hereto, their respective successors and assigns.

4. This instrument may be executed in multiple counterparts, each of which shall constitute an original instrument, but all of which shall constitute one and the same agreement.
